

COMMITTEE ON LANDS AND BUILDINGS

June 12, 2001

5:30 PM

Chairman Cashin called the meeting to order.

The Clerk called the roll.

Present: Aldermen Cashin, Levasseur, Shea, Thibault

Absent: Alderman Gatsas

Discussion relative to Senior Center site selection.

Mr. Jabjiniak stated I really don't have any additional presentation other than what was already made to the Board last Tuesday. Kevin is here to assist in answering any financial questions. Randy actually prepared the spreadsheet and he is also here. I am open to questions.

Alderman Lopez stated I thought that Alderman Gatsas asked you to do a spreadsheet on the Sears building.

Mr. Jabjiniak replied Alderman Gatsas asked for us to consider the Sears building for office consolidation.

Alderman Lopez asked weren't you asked to do a spreadsheet on how much the leases were and how much a buyout would be. Has that been completed?

Mr. Jabjiniak answered it has not. I have some information here, but it is not in spreadsheet format. Again, this meeting is for the senior center and it wasn't part of office consolidation so I didn't push to get it done for this evening.

Alderman Levasseur moved to perform boring tests at the Singer Park site to see if a senior center could be built there. Alderman Thibault duly seconded the motion. Chairman Cashin called for a vote. There being none opposed, the motion carried.

There being no further business, on motion of Alderman Shea, duly seconded by Alderman Levasseur, it was voted to adjourn.

A True Record. Attest.
